Less busy work.
More of your life's work.

Litera has been at the forefront of legal technology innovation for over 25 years, crafting legal software to amplify impact and maximize efficiency.

Developed by the best legal minds in the industry, Litera's comprehensive suite of integrated legal tools is both powerful and user-friendly and simplifies the way modern firms manage core legal workflows, secure collaboration, and organize firm knowledge and experience. Every day, Litera helps more than 2.3 million legal professionals focus on their craft.
